Knockout Heads Up Team Event!

Teams advance through three rounds based on winning at least 2 out of 3 heads up matches

Rules:

1. All of prize-pool is paid as winnings to team (no individual player prize-money)
2. Points matter. Teams will receive one point for every individual victory, so a team progressing with 2 wins will have two points, while a team progressing with 3 wins will have three points, and points carry through to the finish.
3. If there is a clear leader, based on points scores, after round 3 then that team will be declared the winner. If there is a tie for points then the top finishing teams will play another knockout stage to decide first second and third prize.
4. Countries represented are not limited (i.e. there can be 3 Netherlands, 6 French, 6 Great Britain and 12 Irish teams)
5. Players can register at the side event registration desk from 10am on Friday 19th Oct.

Rules (continued)

6. Start times of HU matches may not be specified at registration but first round matches must be played before 10am on Sunday 21st Oct, with remaining matches to take place when possible (depending on player's starting day for main event or side events).
7. Teams are registered in groups of 8, so players should register early to ensure they can participate. Paying your registration fee does not automatically mean you will be entered, there must be 8 teams registered for a group to form. Full refunds will be offered to any team that cannot participate as a result of this.
8. Once registered, all three players must make themselves available to play HU matches, team players cannot be changed after registration and if you do not show up within 30 minutes of a confirmed start time your match will be deemed a victory to the opposing team.
